

SVU Vascular Lab 2018

April 14-15, 2018

*Lake Natomo Inn Hotel & Conference Center
Folsom, CA*

Attend this exciting 1.5-day course and learn leading edge practice from a panel of expert surgeons and vascular technologists.

At the completion of this presentation, participants will be able to:

- Demonstrate an improved understanding of evaluation standards and exam techniques for complicated exams.
- Demonstrate a stronger understanding of vascular physics and instrumentation as presented by leaders in the educational field.
- Identify changes in the industry that pertain to testing standards, diagnostic criteria and vascular lab accreditation.
- Apply new tools and professional resources to improve patient care at a personal level or within each individual's work environment.

FOR PHYSICIANS

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Cincinnati and the Society for Vascular Ultrasound. The University of Cincinnati is accredited by the ACCME to provide continuing medical education for physicians.

The University of Cincinnati designates this live activity for a maximum of 12.25 AMA PRA Category 1 Credits™. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

According to the disclosure policy of the University of Cincinnati College of Medicine, all faculty, planning committee members, and other individuals who are in a position to control content are required to disclose any relevant relationships with any commercial interest related to this activity. The existence of these interests or relationships is not viewed as implying bias or decreasing the value of the presentation, and any conflict of interest is resolved prior to the activity. All educational materials are reviewed for fair balance, scientific objectivity and levels of evidence. Disclosure will be made at the time of activity.
